Terms and Conditions Before paying the £500 non-refundable deposit, please ensure you have read through ALL the following terms and conditions. By paying the initial £500 deposit to secure your date you agree to all terms and conditions below.

When hiring The Pumping Station (Cropston) Limited for a wedding there are three minimum requirements; the venue hire fee (the cost of which depends on the time of the year), the wedding breakfast\* (for which there are minimum numbers for certain months of the year - \*not applicable for evening reception only) and the evening food (for which there are minimum numbers for certain months of the year)

Prices may increase each year regardless of when the deposit is paid. A date can be provisionally held for 14 days before a £500 non-refundable deposit is required. The venue reserves the right to remove a provisional booking if there has been no communication within the 14 days. A £500 non-refundable deposit is required to secure a date. A further non-refundable £1000 is required 6 months before the date of hire. This is to insure us against losses incurred by cancellations of key dates.

Final numbers and the final balance payment is required 6 weeks before the date of hire. Numbers cannot be altered within the 6 week period leading up to the date of hire. If numbers do decrease, the amount charged for on the final invoice still applies. Once the above payments are made, refunds cannot be issued if a date is cancelled. Seating plan including list of dietary requirements must be emailed four weeks before the date of hire. A child's meal can be ordered for anyone under the age of 16. Parents are permitted to bring in food for infants who require specific food.

All prices are inclusive of VAT. If the VAT rate changes between the time of paying the deposit and the final balance, the remaining costs will be adjusted to reflect the new VAT rate.

Minimum number of daytime guests is 60 for the wedding breakfast and 100 for the evening food on Fridays and Saturdays between June and September. This is the minimum charge, even if the actual number of guests falls beneath these minimum numbers. Please bear in mind that prices are subject to market forces and therefore we may experience increases. We will endeavour to inform you of any changes in good time and no later than 6 weeks before your big day.

External Suppliers Other service providers are permitted providing they have public liability insurance. All equipment must have been PAT tested before being used within the venue.
